I have read this entire Release of Liability Document. I understand it is a promise not to sue and to release the stable, It's owners, employees and agents for all claims. I have made a free and deliberate choice to sign this Release and Waiver as a condition to Releasees allowing me or my child to ride or handle a horse. I have concluded that the risks involved and the release and waiver of liability is worth the pleasure of horseback riding experience.

My favorite thing is getting brushed and back scratches. I also attend birthday parties where kids decorate me and give me lots of love and treats.

Both of us are very gentle and kind, but you'll notice Marti is more outgoing, while Remi is more reserve.

We were both rescued from an auction in Texas and are happy to be at a safe home where we get lots of love and kindness so we can rebuild our trust in humans.
